

Tuesday, 24. October 2023*Plenary session*

10:00 - 11:20

R1

CSP Annual Conference 2023: Students - Morning session*Chair:* Laura Kay-Blackburn, GB**Welcome**

10:00 - 10:05

Speaker: Laura Kay-Blackburn, GB**Student conference 2023 keynote: Foundations for our future**

10:05 - 10:20

Speaker: Ishmael Beckford, GB**Your most important rotation? Working with children with complex conditions (ACPRC)**

10:20 - 10:35

Speaker: Harriet Shannon, GB**So your next patient has a learning disability**

10:35 - 10:50

Speaker: David Standley, GB**Introduction to Veterinary Physiotherapy**

10:50 - 11:00

Speaker: Kim Sheader, GB**Q&A**

11:00 - 11:05

Working with people with Dementia. Sharing perspectives from acute and community placements

11:05 - 11:20

Speaker: Amy Mclean, GB*Speaker:* Maddie Jackson, GB*Break*

11:20 - 11:40

R1

Break & poster viewing*Platform presentation*

11:40 - 12:10

R1

Rapid 5 presentations*Chair:* Reena Patel, GB**Investigating physiotherapy students' perceptions of their ability to assess and treat vestibular pathology. A combined quantitative and qualitative survey.**

11:40 - 11:45

Speaker: Edward Cook, GB**The prevalence, knowledge and impact of stress urinary incontinence in Premier 15's rugby players**

11:45 - 11:50

Speaker: Rachel Lund, GB**The relationship between muscle strength, balance and functional ability in recreationally active young adults**

11:50 - 11:55

Speaker: Natalie Mak, GB**Patients' and physiotherapists' perspectives of treatment outcomes and experiences in primary care episodes of low back pain**

11:55 - 12:00

Speaker: Carrie Fewins-Scales, GB**Q&A**

12:00 - 12:10

Symposium

12:10 - 13:00

R1

Collaborative exercise delivery*Moderator:* Rachel Wadlow, GB*Chair:* Reena Patel, GB**Collaborative exercise delivery**

12:10 - 13:00

Speaker: Jason Laird, GB*Speaker:* Sarah Dewhurst, GB*Speaker:* Jennifer Conway, GB*Speaker:* Siobhan Cowan-Dickie, GB*Speaker:* Jasmine Kasprzyk, GB*Speaker:* Rachel Wadlow, GB*Break*

13:00 - 13:40

R1

Lunch & poster viewing*Plenary session*

13:40 - 14:35

R1

CSP Annual Conference 2023: Students - Afternoon session*Chair:* George Alvey, GB**Welcome back**

13:40 - 13:45

Speaker: George Alvey, GB**Pelvic Health Physiotherapy in the Postnatal Period**

13:45 - 14:00

Speaker: Jess Kydd-Coutts, GB**Physiotherapy student experiences of simulation: A placement research journey**

14:00 - 14:15

Speaker: Vaidehi Patel, GB*Speaker:* Isabella Townsend, GB**Go for it!...Research can be fun and rewarding**

14:15 - 14:29

Speaker: Ali Aries, GB*Speaker:* Caroline Coultard, GB**PRS: Next steps in research careers/Award for best poster abstract**

14:29 - 14:35

Break

14:35 - 14:50

R1

Break & poster viewing*Symposium*

14:50 - 15:20

R1

Symposium: Finding Your Networks in Physiotherapy*Chair:* Kristen Potter-Price, GB**Finding Your Networks in Physiotherapy**

14:50 - 15:20

Speaker: Daisy Goodall, GB*Speaker:* Scarlett Chamberlain, GB*Speaker:* Julie Blackburn, GB*Symposium*

15:20 - 16:05

R1

Symposium 2: From Pillars to Post*Chair:* Tamsin Baird, GB**From Pillars to Post**

15:20 - 16:05

Speaker: Victoria Dickens, GB

Speaker: Jill Kent, GB
Speaker: Isla Kenyon, GB

Plenary session

16:05 - 16:25

R1

Closing session

Chair: Karen Middleton CBE, GB

Thursday, 26. October 2023*Plenary session*

09:00 - 09:55

R1

Welcome & Keynote address*Chair:* Catherine Chin, GB**Welcome**

09:00 - 09:10

Developing a value-based lymphoedema network in Wales

09:10 - 09:55

Speaker: Melanie Thomas, GB*Plenary session*

09:00 - 09:55

R2

Welcome & keynote address (live feed from Room 1)*Chair:* Catherine Chin, GB**Developing a value-based lymphoedema network in Wales**

09:00 - 09:45

Speaker: Melanie Thomas, GB*Platform presentation*

10:00 - 10:35

R1

Platform/Rapid 5 presentations*Chair:* Josephine Morris, GB**Mentoring physiotherapists to improve patients' outcomes: exploring mentor and mentee perspectives of an effective mentored clinical practice intervention**

10:00 - 10:15

Speaker: Aled Williams, GB**Reflective practitioner or Unconsciously Incompetent??**

10:15 - 10:20

Speaker: Suzanne Woodman, GB**An online clinical quality application, testing the concept and acceptability for clinicians**

10:20 - 10:25

Speaker: Clare Connor, GB*Platform presentation*

10:00 - 10:35

R2

Platform/Rapid 5 presentations*Chair:* Sylvia Wojciechowski, GB**Realising a high value, integrated pathway for knee osteoarthritis**

10:00 - 10:15

Speaker: Jessica Parry-Williams, GB**If you know when it's [Perthes'] going to go, you're waiting for the best day of your life**

10:15 - 10:20

Speaker: Adam Galloway, GB**The effect of self-management Interventions on musculoskeletal disorders in musicians: a scoping review**

10:20 - 10:25

Speaker: Noudy Eleryan, GB**Tackling health inequalities in early years: a toolkit for allied health professionals (AHPs)**

10:25 - 10:30

Q&A

10:30 - 10:35

Break

10:35 - 11:00

R1

Break & poster viewing*Break*

10:35 - 11:00

R2

Break & poster viewing*Platform presentation*

11:00 - 12:00

R1

Platform/Rapid 5 presentations*Chair:* Ash James, GB**Slicing through sedentary time with a healthy portion of activity: are there benefits for hip extension?**

11:00 - 11:05

Speaker: Jake Dorgan, GB**Co-design and acceptability of a physical activity intervention for people with osteoarthritis**

11:05 - 11:10

Speaker: Zoe Silsbury, GB**Long-term muscular performance and functional outcomes following Achilles tendon rupture: A systematic review of surgical vs non-surgical management**

11:10 - 11:15

Speaker: Kain Moss, GB**Q&A + Changeover**

11:15 - 11:30

Facilitators and barriers regarding the implementation and interprofessional collaboration of a first contact physiotherapy service in primary care in Wales

11:30 - 11:35

Speaker: Matthew Lewis, IE**The experiences, beliefs and practices of MSK physiotherapists regarding safety netting for Cauda Equina syndrome**

11:35 - 11:40

Speaker: John Rice, GB**Developing holistic management in oncology same day emergency care (SDEC)**

11:40 - 11:45

Speaker: Kate Williams, GB**Q&A**

11:45 - 12:00

Session

11:00 - 12:00

R2

Innovations in physiotherapy management of blunt chest wall trauma*Chair:* Ishmael Beckford, GB**Innovations in physiotherapy management of blunt chest wall trauma**

11:00 - 12:00

Speaker: Ceri Battle, GB*Speaker:* Fiona Schreuder, GB*Speaker:* Kate Jones, GB*Plenary session*

12:00 - 12:15

R1

Keynote: Building community capacity with physiotherapy*Chair:* Ash James, GB**Building community capacity with physiotherapy**

12:00 - 12:15

Speaker: Ruth Crowder, GB

Plenary session

12:00 - 12:15

R2

Keynote: Building community capacity with physiotherapy (live feed from Room 1)*Chair:* Ash James, GB**Building community capacity with physiotherapy**

12:00 - 12:15

Speaker: Ruth Crowder, GB*Plenary session*

12:15 - 12:22

R1

Representing Physiotherapy on the Welsh Allied Health Professions Committee (WAHPC)*Chair:* Ash James, GB**Representing Physiotherapy on the Welsh Allied Health Professions Committee (WAHPC)**

12:15 - 12:22

Speaker: Non Griffiths, GB*Plenary session*

12:15 - 12:22

R2

Representing Physiotherapy on the Welsh Allied Health Professions Committee (WAHPC) (Live feed from Room 1)*Chair:* Ash James, GB**Representing Physiotherapy on the Welsh Allied Health Professions Committee (WAHPC)**

12:15 - 12:22

Speaker: Non Griffiths, GB*Break*

12:30 - 13:15

R1

Lunch & poster viewing*Break*

12:30 - 13:15

R2

Lunch & poster viewing*Platform presentation*

13:15 - 13:30

R1

Turning Primary & Community Care into the Usual Location for AHPs*Chair:* Rob Letchford, GB*Chair:* Leighton Powell, GB**Turning Primary & Community Care into the Usual Location for AHPs**

13:15 - 13:30

Speaker: Kerrie Phipps, GB*Session*

13:15 - 14:45

R2

Co-producing rehabilitation services*Chair:* Emma Cooke, GB**Co-producing Rehabilitation services**

13:15 - 14:45

Speaker: Liz Walker, GB*Speaker:* Adele Griffiths, GB*Speaker:* Linda Tremain, GB*Speaker:* Sally Tawhai, GB*Speaker:* Sarah Jaques, GB*Speaker:* Robert Jones, GB

Session

13:30 - 14:45

R1

Musculoskeletal Physiotherapy : Are delivery models necessary, or over complicated?

Chair: Leighton Powell, GB

Chair: Rob Letchford, GB

Musculoskeletal Physiotherapy: Are delivery models necessary or over complicated?

13:30 - 14:45

Speaker: Kerrie Phipps, GB

Speaker: Mark Knight Davies, GB

Speaker: Catrin Hawthorn, GB

Speaker: Mary Cowern, GB

Speaker: Meiner Jones, GB

Break

14:45 - 15:00

R1

Break & poster viewing

Break

14:45 - 15:00

R2

Break & poster viewing

Session

15:00 - 16:15

R1

Simulation Learning Activities in Physiotherapy Pre-Registration Education

Chair: Marie-Therese McDonald McDonald, GB

Simulation-based Learning in Physiotherapy Pre-Registration Education: Practice Makes Prefect

15:00 - 16:15

Speaker: Debbie Thackray, GB

Speaker: Amy Bendall, GB

Speaker: Nicola Henegan, GB

Speaker: Rhys Shorney, GB

Platform presentation

15:00 - 16:15

R2

Platform/Rapid 5 presentations

Chair: Ceri Battle, GB

The Health Disability Activity Partnership: working together to transform the lives of disabled people across Wales

15:00 - 15:15

Speaker: Sue Williams, GB

Speaker: Samantha Edwards, GB

Q&A

15:15 - 15:20

Exploring adherence to pelvic floor muscle training in women using mobile apps: a systematic review

15:20 - 15:35

Speaker: Rosie C. Harper, GB

The ALPHA ALERT: an aid for facilitating diagnosis of acetabular hip dysplasia

15:35 - 15:40

Speaker: Elizabeth Evans, GB

Reducing health inequalities and improving COPD population health by increasing access to care; expanding to pharmacy referral, a service development

15:40 - 15:45

Speaker: Jade Bazylkiewicz, GB

Q&A

15:45 - 15:55

A service evaluation to investigate rates of cardio-protective

15:55 - 16:00

medication prescription in patients being treated in cardiac and vascular rehabilitation services*Speaker:* Hannah Davies, GB**Identifying post-exertional symptom exacerbation in long COVID patients - a service evaluation**

16:00 - 16:05

Speaker: Kayleigh Owen, GB**Q&A**

16:05 - 16:15

Plenary session

16:20 - 16:35

R1

Closing session*Chair:* Karen Middleton CBE, GB**Closing session**

16:20 - 16:35

Speaker: Karen Middleton CBE, GB*Plenary session*

16:20 - 16:35

R2

Closing session (Live feed from room 1)**Closing session**

16:20 - 16:20

Speaker: Karen Middleton CBE, GB

Wednesday, 01. November 2023*Plenary session*

09:00 - 09:10

R1

Introduction & welcome*Chair:* Ishmael Beckford, GB*Plenary session*

09:00 - 09:10

R2

Introduction & welcome (Live feed from room 1)*Chair:* Ishmael Beckford, GB*Session*

09:15 - 10:15

R1

Virtual Wards: policy, pathway and patient experience*Chair:* Rachael Colcough, GB*Chair:* Ishmael Beckford, GB**Virtual wards: policy, pathways and patient experience**

09:15 - 10:15

Speaker: Della Thomas, GB*Speaker:* Rob Coster, GB*Speaker:* Sara Bolton, GB*Session*

09:15 - 09:35

R2

Enabling musculoskeletal health across England*Chair:* Karen Barker, GB**Enabling Musculoskeletal Health Across England**

09:15 - 09:35

Speaker: Andrew Bennett, GB*Session*

09:15 - 10:15

Bridging the evidence-to-practice gap*Chair:* Nicola Walsh, GB**Bridging the musculoskeletal evidence-practice gap**

09:15 - 10:15

Speaker: Laura Swaithe, GB*Speaker:* Nicola Walsh, GB*Speaker:* Jackie Lidgard, GB*Speaker:* Matt Low, GB*Platform presentation*

09:35 - 10:35

R2

Platform/Rapid 5 presentations*Chair:* Karen Barker, GB**Moderators of the effect of therapeutic exercise for knee and/or hip osteoarthritis: a systematic review and individual participant data meta-analysis**

09:35 - 09:50

Speaker: Melanie Holden, GB**The association between psychosocial factors and mental health symptoms in cervical spine pain with or without radiculopathy on health outcomes**

09:50 - 10:05

Speaker: Michael Mansfield, GB**Rotator cuff-related shoulder pain (RCRSP): semi-structured patient interviews to explore the barriers and enablers to**

10:05 - 10:10

rehabilitation exercises*Speaker:* Vincent Singh, GB**Optimising physiotherapy for people with lateral elbow tendinopathy - results of a mixed-methods pilot and feasibility randomised controlled trial (OPTIMISE)**

10:10 - 10:15

Speaker: Marcus Bateman, GB**A scoping review to map evidence regarding key domains and questions in the management of non-traumatic wrist disorders**

10:15 - 10:20

Speaker: Thomas Gareth Carlyle Mitchell, GB**Q&A**

10:20 - 10:35

Platform presentation

10:15 - 10:40

R1

Platform/Rapid 5 presentations*Chair:* Ishmael Beckford, GB**Exploring the adoption of thoracic ultrasound (lung and diaphragm) by physiotherapists, physical therapists, and respiratory therapists: an updated scoping review**

10:15 - 10:20

Speaker: Simon Hayward, GB**Standardising physiotherapy practice in critical care: An overview of the integration journey across an academic health science centre**

10:20 - 10:25

Speaker: Laura Mylott, GB**Development of a pelvic health service for patients at the Manchester Adult Cystic Fibrosis Centre**

10:25 - 10:30

Speaker: Victoria Kendall, GB**Q&A**

10:30 - 10:40

Platform presentation

10:15 - 10:35

Platform/Rapid 5 presentations*Chair:* Ruth ten Hove, GB**Evaluation of the Active Together multi-modal cancer prehabilitation and rehabilitation service embedded within clinical care cancer pathway**

10:15 - 10:20

Speaker: Jane Gardiner, GB**Evaluating the effects of a multi-modal prehabilitation service, on functional and patient reported outcomes prior to surgery for colorectal cancer**

10:20 - 10:25

Speaker: Helen Ainsworth, GB**The effect of aquatic therapy on pain tolerated walking distance for patients with chronic lower limb ischaemia**

10:25 - 10:30

Speaker: Verity Simon, GB**Q&A**

10:30 - 10:35

Break

10:35 - 11:00

R2

Break & poster viewing

Break

10:35 - 11:00

Break & poster viewing*Break*

10:40 - 11:00

R1

Break & poster viewing*Platform presentation*

11:00 - 11:50

R1

Platform/Rapid 5 presentations*Chair:* Ash James, GB

The relationship between physical and psychological symptoms in Parkinson's Disease: A systematic review and meta-regression analysis

11:00 - 11:15

Speaker: Philip Hodgson, GB

Understanding physiotherapy and physiotherapy services: exploring the perspectives of adults living with cerebral palsy

11:15 - 11:30

Speaker: Gemma Cook, GB

Key features of an acceptable trial investigating the effects of dual-task training on balance in people with Parkinson's disease

11:30 - 11:35

Speaker: Nesibe Cakmak, GB

An integrated care system: a service evaluation of an integrated model between the NHS& voluntary sector following acquired brain injury

11:35 - 11:40

Speaker: Chloe Popplewell, GB**Q&A**

11:40 - 11:50

Platform presentation

11:00 - 11:50

R2

Platform/Rapid 5 presentations*Chair:* Alex Spearritt, GB

Metabolic syndrome management: uncharted waters in primary care physiotherapy practice

11:00 - 11:15

Speaker: Sally Mastwyk, AU

Physiotherapists as physical activity clinical champions: evaluation of a national peer-to-peer physical activity education initiative

11:15 - 11:30

Speaker: Sarah Dewhurst, GB

Evaluating webinar-based learning approach in delivering cancer physical activity recommendations to health care professionals and people with cancer

11:30 - 11:35

Speaker: Isla Veal, GB

"My Life" group evaluation: how a co-produced lifestyle programme can support individuals with severe mental illness to live well

11:35 - 11:40

Speaker: Nicola Dowdeswell, GB**Q&A**

11:40 - 11:50

Platform presentation

11:00 - 11:50

Platform/Rapid 5 presentations

The effectiveness of Prehabilitation in patients undergoing

11:00 - 11:15

Orthopaedic surgery: a systematic review and meta-analysis*Speaker:* Anuj Punnoose, GB**Experiences and perceptions of patients awaiting rotator cuff repair surgery: an integrated qualitative interview study**

11:15 - 11:20

Speaker: Maria Moffatt, GB**Rehabilitation guidelines following arthroscopic stabilisation surgery for traumatic instability - a Delphi consensus**

11:20 - 11:25

Speaker: Elaine Willmore, GB**Ultrasound-guided percutaneous release of the trigger finger using a 19G needle: a prospective study of 31 cases**

11:25 - 11:30

Speaker: Vincent Gallagher, GB**Surgery avoidance rates among total knee replacement candidates following a non-invasive biomechanical intervention: a retrospective cohort study**

11:30 - 11:35

Speaker: Christopher Miles, GB*Plenary session*

11:50 - 12:35

R1

Chartered Society of Physiotherapy Founders' Lecture 2023: More of the same?*Chair:* Ash James, GB**Chartered Society of Physiotherapy Founders' Lecture 2023**

11:50 - 12:35

Speaker: Anita Charlesworth, GB*Plenary session*

11:50 - 12:35

R2

Chartered Society of Physiotherapy Founders' Lecture 2023: More of the same? (Live feed from room 1)*Chair:* Ishmael Beckford, GB*Break*

12:35 - 13:20

Lunch & poster viewing*Break*

12:35 - 13:20

Lunch & poster viewing*Session*

13:20 - 14:35

R1

Physiotherapy and Dementia: Challenging the myths*Chair:* Kelly Walker, GB*Chair:* Vicki Goodwin, GB**Physiotherapy and Dementia: Challenging the myths**

13:20 - 14:35

Speaker: Abi Hall, GB*Speaker:* Nicola Lauchlan, GB*Speaker:* Rachael Litherland, GB

Platform presentation

13:20 - 15:00

R2

Platform/Rapid 5 presentations

Chair: Ruth ten Hove, GB

Chair: Sandra Agyapong-Badu, GB

Identifying the outcomes that matter most to young people and parents during musculoskeletal pain treatment 13:20 - 13:25

Speaker: Rhiannon Joslin, GB

Factors influencing participation in physical activity, sports and exercise in paediatric spinal pain or conditions: a systematic review and meta-ethnography 13:25 - 13:30

Speaker: Susanna Tucker, GB

"I am now in the driving seat": feedback from individuals with chronic pain on a physiotherapy led pain management programme 13:30 - 13:35

Speaker: Jonathan Thomas Nicholas, GB

Barriers, enablers, and preferences to swimming for people with chronic low back pain 13:35 - 13:40

Speaker: Helen Oakes, GB

Q&A 13:40 - 13:55

What factors influence the outcomes of corticosteroid injections in patients with Greater Trochanteric Pain Syndrome (GTPS)? A systematic review 13:55 - 14:00

Speaker: Ben Foxcroft, GB

The experiences of participants with musculoskeletal conditions attending 'Work Wise'; an initiative to help people return or remain in work 14:00 - 14:05

Speaker: Michelle Cunneely, GB

If you know when it's [Perthes'] going to go, you're waiting for the best day of your life 14:05 - 14:10

Speaker: Adam Galloway, GB

Q&A 14:10 - 14:20

Feasibility of investigating oxygen consumption, carbon dioxide production, heart rate variability and lactic acid of people with Myalgic Encephalomyelitis (PwME) 14:20 - 14:25

Speaker: Nicola Clague-Baker, GB

Evaluating the feasibility of blended rehabilitation using a digital physical activity self-management tool within a new virtual long COVID service 14:25 - 14:30

Speaker: Carol Langley-johnson, GB

Virtual reality rehabilitation in a major trauma population: a service improvement project 14:30 - 14:35

Speaker: Sally Fisher, GB

Q&A 14:35 - 14:50

Session

13:20 - 14:20

Transformation and Development of the non-registered AHP Workforce

Chair: Suraiya Hassan, GB

Transformation and Development of the non-registered AHP Workforce 13:20 - 14:20

Speaker: Gaby Ford, GB

Speaker: Luke Capon, GB
Speaker: Katie Betteridge, GB

Platform presentation
 14:20 - 15:00

Platform/Rapid 5 presentations

Evaluation of a new clinical supervision programme introduced for physiotherapists working in an independent charity sector organisation (Nuffield Health)	14:20 - 14:25
<i>Speaker:</i> Chris Davis, GB	
The value of virtual professional learning communities to support clinical education and telehealth practice	14:25 - 14:30
<i>Speaker:</i> Dr. R Williams, GB	
Q&A	14:30 - 14:35
Development of a racial inclusivity training resource for physiotherapy practice education	14:35 - 14:40
<i>Speaker:</i> Annabel Williams, GB	
Using Twitter to mobilise knowledge for first contact physiotherapists	14:40 - 14:45
Changing the landscape of physiotherapy practice education: students experiences of a rotational placement pilot initiative in England	14:45 - 14:50
<i>Speaker:</i> Steve Mills, GB	
Q&A	14:50 - 15:00

Platform presentation
 14:35 - 15:00

R1

Platform/Rapid 5 presentations

Chair: Kelly Walker, GB

Catch-up/change	14:35 - 14:40
Mortality and functional outcome in patients with idiopathic Parkinson's disease who sustained a femoral neck fracture	14:40 - 14:45
<i>Speaker:</i> Reinier van Mierlo, GB	
Enabling shared decision making - Torbay charts (TC) patient decision aids (PDA) tool in management of hip and knee arthritis	14:45 - 14:50
<i>Speaker:</i> Rangaraju Ramesh, GB	
Orthopaedic Out Of Bed Project (OoBP): improving early mobilisation following femoral fracture using a therapy-led education programme - an update	14:50 - 14:55
<i>Speaker:</i> Ryan Bullock, GB	
Q&A	14:55 - 15:00

Break
 15:00 - 15:20

Research and Population Health: Co-producing with Communities*Chair:* Gita Ramdharry, GB*Chair:* Anita Atwal, GB**Research and Population Health: Co-producing with Communities**

15:20 - 16:35

Speaker: Meera Sharma, GB*Speaker:* Anita Atwal, GB*Speaker:* Sandra Agyapong-Badu, GB*Speaker:* Jackie Walumbe, GB*Speaker:* Maria Stokes, GB*Speaker:* Olatundun Gafari, GB*Speaker:* Naman Julka-Anderson, GB**Catch up / Room join**

16:35 - 16:40

Session

15:20 - 16:40

R2

Delivering personalised care to people with chronic pain*Chair:* Leila Heelas, GB*Chair:* Sylvia Wojciechowski, GB**Delivering personalised care to people with chronic pain**

15:20 - 16:35

Speaker: Diarmuid Denny, GB*Speaker:* Jen Ford, GB*Speaker:* Louise Trewern, GB*Platform presentation*

15:20 - 16:35

Platform/Rapid 5 presentations**Keep calm and carry on: The lived experiences of UK physiotherapists involved in Cauda Equina Syndrome Litigation. A qualitative study**

15:20 - 15:35

Speaker: Susan Greenhalgh, GB**The experiences of uncertainty amongst musculoskeletal physiotherapists in first contact practitioner roles within primary care**

15:35 - 15:50

Speaker: Simon Ingram, GB**Beyond pain: prevalence and discrepancy of reported and observed weakness in people with sciatica**

15:50 - 15:55

Speaker: Lucy Dove, GB**A qualitative meta-synthesis of musculoskeletal physiotherapist and patient views on person-centredness**

15:55 - 16:00

Speaker: John Naylor, GB**A delay in musculoskeletal physiotherapy and a low number of therapy sessions both have a negative impact on therapy outcomes**

16:00 - 16:05

Q&A

16:05 - 16:15

The impact of remote consultations on the health and wellbeing of first contact physiotherapists in primary care

16:15 - 16:20

Speaker: Nicola Walsh, GB

Development of an innovative digital questionnaire to screen adults for risks of osteoporosis and falls by a first contact physiotherapist <i>Speaker:</i> Corinne Birch, GB	16:20 - 16:25
Q&A	16:25 - 16:35
<i>Plenary session</i> 16:40 - 16:50 Poster awards <i>Chair:</i> Ash James, GB	R1
<i>Plenary session</i> 16:40 - 16:50 Poster awards (Live feed from Room 1)	R2

Session

13:15 - 14:35

R1

Can we mitigate health inequalities? Implications for health care practice, education, research and policy

Chair: Janet Thomas, GB

Chair: Chris Seenan, GB

Can we mitigate health inequalities? Implications for health care practice, education, research and policy

13:15 - 14:35

Speaker: Cass Macgregor, GB

Speaker: David Blane, GB

Speaker: Rebecca Hunter, GB

Speaker: Clementine Hill O'Connor, GB

Platform presentation

13:15 - 14:35

R2

Platform/Rapid 5 presentations

Chair: Lesley Holdsworth, GB

Web-based physiotherapy for people with axial spondyloarthritis who do not currently exercise - quantitative and qualitative data from a cohort study

13:15 - 13:30

Speaker: Elaine Coulter, GB

A model for co-creating accessible rehabilitation technology

13:30 - 13:45

Speaker: Andy Kerr, GB

Exploring the effects of technology enriched rehabilitation and evaluating Stroke Impact Scale (SIS-16), focusing on perception of recovery: a Pilot study

13:45 - 13:50

Speaker: Milena Slachetka, GB

Q&A

13:50 - 14:00

A scoping review to map evidence regarding key domains and questions in the management of non-traumatic wrist disorders

14:00 - 14:05

Speaker: Thomas Gareth Carlyle Mitchell, GB

Evaluate whether PICUPS would improve identification of patients requiring further detailed assessment by members of the MDT

14:05 - 14:10

Speaker: Rebecca Bonomi, GB

Exploring the use of lung ultrasound in the cardiac surgery population: a scoping review

14:10 - 14:15

Speaker: Casey Farrell, GB

BUMPER study: BUrnout, Moral injury and PERfectionism in UK physiotherapists

14:15 - 14:20

Speaker: Daniel P. Biggs, GB

The perceived advantages of and barriers to implementing the HEE Roadmap to Practice in a Rural Setting in Scotland?

14:20 - 14:25

Speaker: Gillian Love, GB

Q&A
